1. Award Conditions

***Award Conditions to the Financial Assistance Award
Between the Denali Commission and Foraker Group
For the Pre-Development Program
Award No. 01275, Amendment 5
December 2013***

All changes to the award conditions are noted below.

1. Scope of Work

This amendment increases the award amount by \$158,595, for a new award total of \$1,127,595. The additional funds will be used for the five activities listed below:

1. To conduct investment grade energy audits of the clinic and tannery and review of previously retrofitted non-residential buildings in Shishmaref, Alaska.
2. To conduct investment grade energy audits of the clinic building, community center, and fish plant facility in Yakutat, Alaska.
3. To conduct a code and condition survey and investment grade energy audit of the old school building in Kongiganak, Alaska.
4. Provide an independent, third party evaluation of the Strategic Technical Assistance Response Team (START) program and recommendations to enhance the program's efficacy. The review shall examine the START program as it was conceived and as it has operated, and provide recommendations for both changes and aspects to remain in place to achieve an effective, efficient, and economical community scale non-residential energy efficiency program for rural Alaska communities. The review shall include:
 - a. Interviews with program stakeholders including National Renewable Energy Lab (NREL), Marsh Creek, U.S. Department of Energy, Denali Commission staff, and others as appropriate.
 - b. Interviews with at least two recipient communities from each year of the START program to evaluate the status of planned activities and analyze results.
 - c. Completion of a report with results and recommendations.
5. Development of a building or village energy rating methodology to model non-residential building energy use and identify parameters that would indicate poorly performing buildings, from an energy efficiency perspective.
6. Complete a conceptual plan for an interpretive site for the Native Village of Eklutna in the Ship Creek area that will highlight the history of the local Dena'ina Tribal members. (estimated \$19,000 total).

2. Award Performance Period

The amended Award performance period is April 1, 2010 through December 30, 2014. This is the period during which Award recipients can incur obligations or costs against this Award.

There are no other changes to the original Financial Assistance Award, as amended.
